Hour meter		Standard					
Fuel gauge		Sight window					

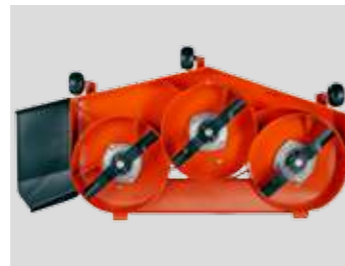

*These Kawasaki engines have been tested in accordance with SAE J1995, verified by TÜV Rheinland Group, and certified by SAE International. The gross power ratings of these engines were determined by using measurements according to SAE J1995 which were witnessed by SAE-approved witnesses from TÜV Rheinland Group. Torque ratings of these engines were not certified by SAE. Actual power and torque output will vary depending on numerous factors, including, but not limited to, the operating speed of the engine in application, environmental conditions, maintenance, and other variables.

**Power (hp) specifications for individual gasoline engine models are rated pursuant to Society of Automotive Engineers (SAE) J1940 based on gross output testing performed in accordance with SAE J1995 without the air cleaner and muffler. Gross engine hp will be higher than actual engine power which is affected by accessories, application, engine speed, ambient operating conditions and other factors. The gross engine horsepower information is for comparison purposes only.

Attachment & Option Kit

• **Grass catcher**
Easily attach or detach the grass catcher in minutes without the use of tools.

• **Mulching kit**
Reduce yard waste and help nourish your lawn. Each mulching blade is surrounded by baffles creating more lift, cutting grass into tiny clippings that help nourish lawns.

- LED headlights*¹
- Mower lift assist kit*²
- Seat suspension*³
- Hitch kit*⁴

For Earth, For Life
Kubota

KUBOTA ZERO-TURN MOWER Z200 Series Z231/Z251

The ultimate residential zero turn mower combining style, comfort and performance.

Simply brilliant take command of your lawn with the Z200 Series.

Kubota's residential innovation turns mowing into a power trip and manages to keep your budget trim, too. The Z200 Series maneuvers through landscapes with comfort and ease. Have it all - style, comfort and performance, matched with Kubota's excellence in quality and durability. Engineered especially for the homeowners with exclusive, easy-to-use features.

Z231KH/Z251KH
with 48", 54" decks

Equipped with LED Headlights and Full Seat Suspension

Z231BR/Z251BR
with 48", 54" decks

Z231KW
with 42" deck

Mow Your lawn like a pro, with the smooth, effortless performance of the Z200 Series.

COMFORT & STYLE, PLUS EASY OPERATION

There's a lot to like about Z200 Series. From their comfortable ergonomic design to their style and convenience, these attractive, hardworking mowers are designed to make mowing as easy as possible.

STANDARD ROPS

For safety and peace of mind, all Z200 Series mowers are equipped with a full-height ROPS.

STORAGE BOXES

For your tools, lunch, and anything else too big or heavy for your pockets.

COMFORT / CONVENIENCE / STYLE

HIGH BACK SEAT

Soft and roomy, the high back seat will keep you comfortable even on those extra-long mowing jobs.

WIDE FOOT PAN

There's plenty of legroom up front, thanks to a wide foot pan. It also makes entry and exit a snap.

CUP HOLDERS

Keep your drink cup or tumbler always handy in the integrated cup holders.

LED HEADLIGHTS

Standard on the Z251KH and Z231KH, and option on the other models, the bright LED headlight lets you continue mowing in low light conditions.

EASY OPERATION

SMOOTH OPERATION LEVERS

Dual operation levers provide the smooth, precise control you'll need for delicate trimming and work around trees and flowerbeds.

1/4" INCREMENT CUTTING HEIGHT ADJUSTMENT

A simple twist of a dial lets you adjust the cutting height in precise 1/4" increments.

ERGONOMIC CONTROL LAYOUT

All controls and indicators are neatly placed for quick, easy, user-friendly access.

152 mm (101 mm) SLIDE SEAT

The seat slides a full 125mm (101mm: Z231KW) forward and back, letting you find just the right position for maximum personal comfort.

K-LIFT (Mechanical One Push Deck Lift Pedal)

The K-Lift pedal makes adjusting the cutting height simple.

(Z231KH/BR, Z251KH/BR only)

1 Push and release the pedal to raise the deck

2 Use the dial to adjust the cutting height

3 Push and release the pedal again to lower the deck

WHEN PERFORMANCE COUNTS...

Kubota Z200 Series delivers. Their powerful engines, rugged transmissions and strong frames let you take on the toughest jobs with confidence and ease.

POWERFUL ENGINES

Power defines the Z200 Series hardworking engines. Whatever the mowing job, you can count on the Z200 Series to deliver power when you need it.

RUGGED TRANSMISSION

The low-maintenance, integrated design delivers outstanding power and operational efficiency to the wheels and mower deck.

DEEP WELDED MOWER DECK

This steel, welded mower deck provides outstanding, professional-level cutting performance. If you're a homeowner who wants the best—this mower deck is for you.

Support added for better durability

Wide and deep groove pulley

Ultrascraper Z Rear Tires
Big tires mean a softer ride.

WIDE TREAD

Wide-tread tires provide better traction and weight distribution to help protect your lawn.
